Our Objectives:

1. *Improve community capacity to inform the population about available services, options, and programs.*
2. *Improve roadway drivability (e.g., by improving roadway signage).*
3. *Increase awareness of older driver issues among law enforcement, physicians, service providers, and older adults themselves.*
4. *Educate older drivers about age-related changes that affect driving.*
5. *Identify at-risk older drivers and provide remediation and other supportive services (role of DMV, physicians, family, etc.).*
6. *Improve and expand service options for people who can't or don't want to continue driving.*

* Any legislative need should be submitted to the ECHS by Oct. 11.
